Budbrooke Christmas Update:

Christmas Closers

Budbrooke Medical Centre is closed on the following date:

- Tuesday 24th of December the practice will close at 15:00 onwards.
- Wednesday 25th of December the practice will be closed
- Thursday 26th of December the practice will be closed
- Tuesday 31st of December the practice will close at 15:00 onwards
- Wednesday 1st of January the practice will be closed

On Tuesday, December 24th and Tuesday, December 31st, we will be provided with remote GP support if patients need it.

Please ensure you order and collect your prescriptions on time. Please await till you have a text message that your prescription is ready before you come to collect.

Important Car Parking Information:

Following our most recent PPG meeting we have found we highlighted a few issues regarding parking at the practice. Budbrooke would like to try encourage patients to avoid parking in the car park if you are able to walk comfortable from the village to the surgery. We would like to reserve car parking spaces for those who need them more, such as mothers and babies and those who are unable to walk from the village to the surgery. We hope you can work with us on implementing this arrangement! Watch this space for a bike rack!

Extended Access & Extended Hours @ Christmas:
