### My Health and Care (hospital) Passport

My name is: \_\_\_\_\_

I prefer to be called: \_\_\_\_\_

This passport can be taken to any health appointment to support reasonable adjustments (things that you may need to help your appointment). Please READ all of my passport before providing my care.

When I arrive, it will make me feel more comfortable if you make these reasonable adjustments: Please make sure any reasonable adjustments are added to my patient records.

Please include me in decision making

# HEALTH AND SOCIAL CARE PASSPORT (HOSPITAL PASSPORT)

**If you have your health and social care passport please let one of our team know.**

Everyone with a learning disability is able to have a health and social care passport, it helps to inform us of the things you need to be able to access and get the most out of your health and social care experience.

If you don't have a passport the QR code or websites below will take you to the locally produced format. However, there are other versions available and we want you to use what ever version you are happy with.
